I am a self-taught web developer looking for an opportunity to start a professional career and enhance my skills. I have flexibility, a lot of curiosity, passion, optimism, and a growth mindset to work in a multicultural environment. I am eager to learn and begin contributing to projects and businesses.

skills

- HTML5 e CSS3
- Javascript
- MySQL

- Typescript
- Python
- React.js – LinkedIn Certificate

Professional Experience

NOVEMBER 5, 2023 - DECEMBER 21, 2023

Personal / Project – Lang

Technologies (Typescript and Electron): This project will aid in language learning using spaced repetition. The unique aspect is that you can utilize your favorite TV series or movie, creating a more enjoyable environment for learning..

https://github.com/matiash26/Lang/releases/tag/1.0.0

JANUARY 1, 2023 - MARCH 25, 2023

Freelancer / Project – Dashboard for managing product inputs and outputs.

Technology (ReactJS, NodeJS, and MySQL): Project to control product inputs and outputs, with sales and expenses charts, providing a clear view of cash flow to make better decisions.
